**Dry Hydrant / Static Water Source Agreement**

The undersigned, being the owner(s) of the property described as follows: \_\_\_\_\_

\_\_\_\_\_

Do hereby grant permission to Sanoca Rural Fire District, Inc., to:

Install a dry hydrant device upon my property;

Use my: ( )pond ( )lake ( )river ( )stream ( )creek ( )cistern ( )pool  
( )other \_\_\_\_\_

For the purpose of obtaining water for fire suppression within the Sanoca Fire District. I also grant permission to Sanoca Rural Fire District, Inc. to encroach upon the said property to pump water for suppression of fires to other Fire Districts in which Sanoca Rural Fire District Inc has a Mutual Aid Agreement. I also hereby grant permission to Sanoca Rural Fire District, Inc., to access the hydrant/water source as necessary to provide training to members on proper use of the hydrant/water source and fire engine drafting techniques, to allow access for routine maintenance to the hydrant/water source so that it may be accessible for firefighting apparatus and crew at all times in case of fire or other emergency.

I understand that I (property owner) shall not be held civilly liable for any injuries that may be sustained to any firefighter/member/officer that may occur upon my property during the use of the dry hydrant/water source.

This permission shall remain valid until the respected parties agree to terminate it, or in the event that the property is conveyed to another owner.
